Company: Metroland West, Digital Media Group

Title: Junior Production Assistant

Timeframe: March 2009 – August 2009

Role: Web Design. I worked with 3 other Production Designers maintaining multiple microsites, for Metroland’s Specialty Magazines and Shows, with use of a few variations of Content Management Systems. Used a variety of Survey tools to create and publish surveys to the microsites. My main job was to take layouts and content those had been created in Photoshop or Word and turn them into HTML Newsletters to be sent with Lyris.

Skills Used: XHTML; CSS; and Adobe Creative Suite: Dreamweaver, Photoshop.
